Few workshops focus on this beautiful flower!

Freshly opened flowers from Barbara's garden will act as stimulus for instruction and inspire a watercolor study that will pop out from your watercolor paper. Hone appreciation for light and shade, fluid washes, and use dry brush technique and colored pencils to enhance form and finer detailing. **Barbara's love of Peonies, her ability to paint them beautifully, and her well honed instructional skills all ensure an inspiring and very satisfying workshop.**

Preparation: To ensure a focus on painting, instructions and a drawing to trace onto watercolor paper will be sent upon registration. Other information + Materials list available with registration.

Best suited to an **INTERMEDIATE – ADVANCED** level of experience.
